Reno, NEV. (March 26, 2020) – In accordance with the guidelines of the Centers for Disease Control and Prevention and local government agencies, the Nevada Young Alumni Chapter (YAC) has made the decision to postpone the June 5th Beer Fest due to the challenges posed to our community by the COVID-19 virus. While the organization is disappointed to delay the event anticipated by many, the health and safety of the board, vendors, volunteers, members and community takes priority.

Nevada YAC will release the new event date once it is confirmed. The organization looks forward to having the community join them in the 27th Annual Beer Fest. For those unfamiliar with the event, Beer Fest is the oldest premier tasting event in Reno and features dozens of brews and spirits from local and regional breweries and distilleries, as well as live entertainment, a raffle and more.

Nevada YAC appreciates the support and understanding of its partners, vendors, donors and the community while we all readjust to the new standards needed to protect our community. Thank you for your patience as details are finalized for a new event date. Please stay tuned for the next several weeks as we are able to give more information.
