(775) 771-7739**27TH ANNUAL BEER FEST POSTPONED***Nevada Young Alumni Chapter postpones 27th annual scholarship fundraiser*

Reno, NEV. (June 15, 2020) – After careful consideration, the Nevada YAC Board has made the difficult decision to postpone the 27th Annual Beer Fest in light of the COVID-19 pandemic. Nothing would have been better than joining together to drink great beer and to raise scholarship funds; but the health and the well-being of all partners, vendors, volunteers and community remains to be number one priority.

Although the 27th Annual Beer Fest has been postponed, the Nevada Young Alumni Chapter will still be awarding \$15,000 in scholarship funds to the students at the University of Nevada, Reno. The education of our future leaders is more important than ever.

Nevada YAC is excited to announce the 27th Annual Beer Fest will be taking place at a brand new venue - Greater Nevada Field! Event date and additional details will be released once they are confirmed. The organization looks forward to having the community join them for the 27th Annual Beer Fest in 2021.

For those unfamiliar with the event, Beer Fest is the oldest premier tasting event in Reno and features dozens of brews and spirits from local and regional breweries and distilleries, as well as live entertainment, a raffle and more. For Beer Fest information and updates and all things Nevada YAC, visit www.NevadaYAC.com or visit their Facebook/Instagram - @nevadayoungalumni.

About the Nevada Young Alumni Chapter

The Nevada Young Alumni Chapter is an official sub-chapter of the [Nevada Alumni Association](http://www.NevadaAlumniAssociation.com) – a non-profit 501(c)(3) organization – designated for members who have graduated from the University of Nevada, Reno in the last 10 years. It was organized to provide a connection to colleagues and peers, to promote the ongoing development of young alumni and to provide opportunities to current students of the University of Nevada through the allocation of scholarship funds. For more information, please visit www.NevadaYAC.com.
